

Security Officer Responsibilities

1. Security Officers to sign in with Site Managers at the beginning of their shifts
2. Security Officers to sign out with Site Managers at the end of their shifts
3. Security Officers will not leave their assigned posts until a rover comes to relieve them for their assigned breaks
4. Due to the limited supply of PPE, Security Officers will be given two pairs of gloves for their 8-hour shift and one mask
5. Security Officers will ask the nursing staff for supplies and snacks
6. Security Officers will be supplied with cleaning supplies to clean the safe rooms that they use while on their breaks.
7. Security Officers are not to use the hazardous waste bags for their personal belongings.
